OBJECTIVE

I wish to devote my **creative energy** and **expertise** in multimedia **writing, directing, filming, editing,** and **production** to help an organization **advance its mission** and **better serve** its customers.

EVIDENCE OF SKILLS

Demo Reel — <https://vimeo.com/1017994791?share=copy>

A short survey of recent paid work filming, editing, and producing high quality projects for several clients.

College Portfolio — <https://conor-portfolio-1.azurewebsites.net/>

A survey of my work at DePaul University where I studied film editing.

EXPERIENCE

Roman Catholic Diocese of Joliet— Video Consultant

AUG 2023 - PRESENT

Filmed and edited content for the Diocese of Joliet. Created in-house studio systems for content creation, setting up all equipment so that staff could film a variety of productions. Helped develop their first podcast series "Faith Into Action" for the institution's 75th Anniversary.

Castle Law— Freelance Videographer and Writer

DEC 2023 - MAY 2024

Wrote a commercial script for Castle Law with a film shoot scheduled for February with subsequent post-production work.

St. Walter's School— Freelance Videographer

DEC 2023 - AUG 2024

Conducted interviews with students and faculty and filmed B-Roll of the campus to create multiple promotional videos. Recorded drone footage of the campus for both external and innovative internal shots.

SKILLS & ACCOMPLISHMENTS

Proficient in the Adobe Creative Suite, Avid Pro Tools and Media Composer, and Davinci Resolve.

Advanced understanding of modern video equipment, enabling me to recommend the right tools for any recording task and production studio.

Experience with live-editing video switchers for live broadcast and podcast production.

Skilled at writing scripts for presentations, newscasts, podcasts, and interviews.

Experience developing fast-paced video for social media marketing.

Able to operate sound/lightboard for live productions.

Experience filming drone footage for aerial and action shots.

Distinguished academic record.

Starbucks Corporation — Barista

JULY 2019 - NOV 2023

Gained experience in the food/beverage industry as a barista at Starbucks.
Excelled at providing patient and attentive customer service under pressure.

“To Your Health with Dr. G.” — Sound Editor

DEC. 2018 - JAN. 2020

Edited sound files for a local health podcast hosted by medical professional Dr. Mark Gomez. I worked on over 90 episodes in his podcast series entitled "To Your Health with Dr. G". (www.toyourhealthwithdrg.com)

Happy Belly Chefs — Delivery Driver

APRIL 2020 - AUGUST 2021

Delivered weekly dinners for a local catering company. Helped staff the service counter during busy periods as well.

EDUCATION

DePaul University, Chicago, IL

SEPT. 2019- JUNE 2023

Received my BFA in film and Television from DePaul University, with a minor in IT. Took courses in colorization, sound editing, film editing, and video production from industry leaders. Made Dean's List all 12 quarters. Graduated *Magna Cum Laude*.

Worked with an international cohort on documentary short films.

Received “Best News Anchor of the Year” award from Radio DePaul.

11 years of theatre experience in community, academic, and collegiate environments, including improv comedy

Long track record of patient and supportive customer service

Excellent oral and written communication skills.

Basic knowledge of HTML, CSS, Javascript, and Python coding languages.
